## 1

## ALLIANCE RV CAMP READY INNOVATIONS

At Alliance RV, innovation and quality drive everything we do, ensuring our units are camp-ready from the moment they leave our facility.

- **Laser Guides:** Precisely install wall backers during lamination for superior strength.
- **Smoke Testing:** Detects plumbing leaks to enhance reliability.
- **Shake-Down Testing:** Simulates the rigors of travel with a 15-minute vibration test.
- **Rain Bay:** A 30-minute test with 10,000 gallons of recycled water ensures leak-free performance, slides open or closed.

Relentless testing, relentless improvement—because your adventure deserves the best.

## 2

## A MEANINGFUL WARRANTY

### A WARRANTY IS ONLY AS GOOD AS THE COMPANY THAT BACKS IT.

Every Alliance RV is generously backed with a 3-year limited structural and 1-year limited base warranty. Alliance stands out by living our principle of "Do The Right Thing." We understand that warranty and service needs are unique, so we maintain open communication with you and your Alliance dealer to find tailored solutions.

Our streamlined service and warranty programs help speed up approvals and parts delivery, getting you back on the road faster and enhancing your RV ownership experience. If you ever want to speak with one of our customer service representatives, please don't hesitate to contact us at (574) 226-0140.

## 3

## FULL-TIME RVING WARRANTY

### FULL-TIME RVING WON'T VOID YOUR ALLIANCE RV WARRANTY\*

At Alliance we understand the lifestyle and offer warranty and service solutions that support your needs, whether you're on the road part-time or full-time.

\*Additional equipment may be necessary in certain climates or conditions for full time use.

4

## DROP FRAME PASS THROUGH STORAGE

Our engineers redesigned the frame to optimize storage in the front pass-through area. With our Benchmark drop-frame design, we've set a new standard for basement storage, significantly increasing the volume of the storage compartment.

**62**  
CU. FT.

5

## GOODYEAR ENDURANCE TIRES

### WITH COUNTERACT® TIRE BALANCING BEADS

Tires are covered by Lionshead (12) month No Excuses Guarantee program and a (5) year limited warranty against manufacturing defects.

Counteract balancing beads provide dynamic balancing. This system re-sets to the balancing requirements of the assembly with every trip.

6

## ELECTRIC LEVELING OPTION

Transform your Delta (non-Ultra Lite) into the ultimate travel companion with the Electric Leveling System. This innovative upgrade lets you level your trailer with the push of a button, delivering stability and convenience on any terrain.

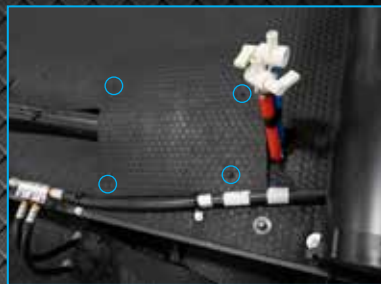

Spend less time setting up and more time enjoying your adventures.

# 7

## UNDERBELLY ACCESS POINTS

Strategically positioned, our multiple access points allow easy entry to the undercarriage. Using only 4 screws, this removable panel provides a convenient way to help inspect and maintain the RV systems.

# 8

## SPRING HANGERS

### WITH V-BRACKET REINFORCEMENT

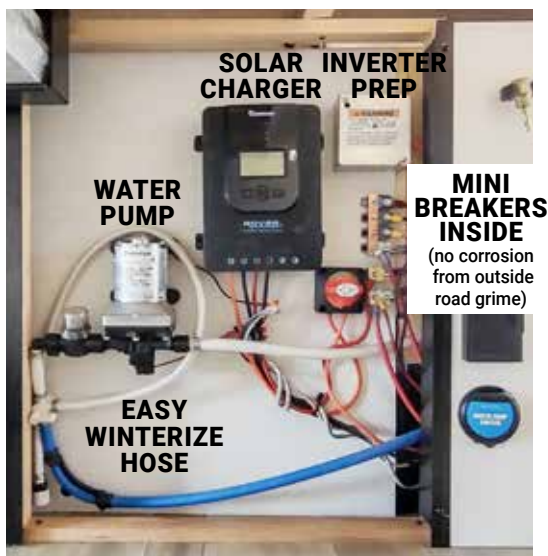

Every Delta Travel Trailer features an innovative V-Bracket reinforcement, adding strength and durability to the frame. Enjoy peace of mind on every journey, knowing your Delta is built to handle the road ahead.

# 9

## ACCESS HATCH IN PASS THROUGH

Our basement storage compartments feature easy access to mechanics with a full size access hatch. Alliance basement storage compartments are insulated, heated, illuminated, and finished with a durable Congoleum floor and automotive trunk carpet to protect your cargo.

# 10

## DUAL ALL-IN-ONE UTILITY CENTERS

We understand that your time is precious, so we've streamlined the process to make every aspect of setting up your campsite as quick and easy as possible.

One of the standout features of the Delta is our dual all-in-one utility centers. These innovative panels are housed in the pass-through storage compartment, bringing all essential hookups into one convenient location. Designed to be protected from the elements and lockable to prevent tampering, these two panels provide easy access to everything you need to get your campsite up and running in no time.

### DOORSIDE

**CORDLESS DRILL

**HOSE HATCH**

**OFF DOORSIDE**

# 11

## HOT/COLD MIXED SPRAY PORT

### VALVE WITH THREE PORTS

On the utility center panel is a hot/cold mixing valve. Set the temperature here and plug the sprayer in any one of three locations for the perfect temperature spray.

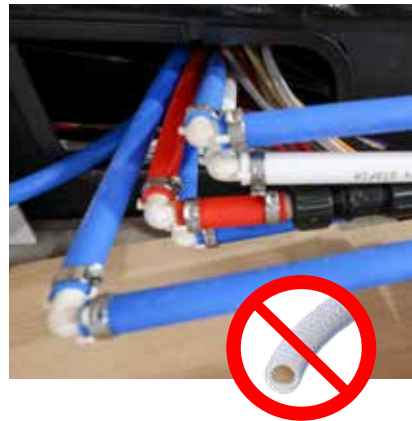

- Patio Side
- Off-door side
- Rear

# 12

## PEX PLUMBING Cross-linked polyethylene (PEX)

Real PEX water lines are used throughout to create a reliable and temperature resistant plumbing system. Traditional braided lines (commonly used by some manufacturers) provide an inferior fit at the connection points, making them more susceptible to water leaks.

# 13

## SHUT-OFF VALVES AT PLUMBING FIXTURES

Don't let a leaky toilet or dripping sink shut down the water supply to your whole coach. Simply shut off the dedicated valve to the toilet or sink and address the issue at your leisure.

# 14

## SLAM LATCH BAGGAGE DOORS

Slam latches and automotive bulb seals keep the baggage compartments tight, dry, and secured. Large handles for easy opening and magnetic stays make for convenient access to your gear.

# 15

## KEYED ALIKE

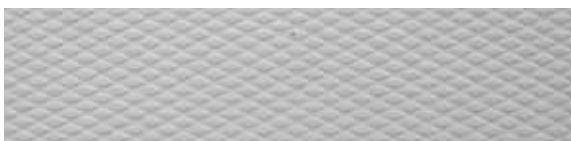

Units are individually Keyed to reduce the number of keys you have to carry around making it much more convenient to access compartments and features. No more universal compartment keys for added security.

# 16

## DIAMOND EMBOSSED SKIRT

Our skirt metal has an attractive embossed diamond pattern where most others are smooth and lack style.

## 17

## GALVANIZED WHEEL WELLS

Galvanized wheel wells offer superior protection against the elements. Extending the lifespan of your RV and reducing maintenance.

## 18

## OVERSIZED AWNINGS

### WITH LED LIGHTING

Alliance maximizes the usability of your patio with huge awnings made of dark material that blocks more sun

These awning arms don't have the traditional wingnut adjustment. A friction hinge and gas strut provide easy, one handed adjustments and act as a shock absorber, should a wind gust catch the awning.

Our LED lighting is mounted to the sidewall, so you don't have to run your awning out all the way to reveal the lights.

Includes a manual override in case of no power.

## 19

## DUAL 20 POUND LP TANKS

Stay a little longer with 40 pounds of LP in two 20 pound tanks (equipped with an auto changeover valve). Standard 20 pound LP tanks can be refilled at many local stations and conveniently exchanged at locations all over the nation.

Auto changeover valve.

Protective cover with easy access hatches for valve and shutoff.

## 20

## POWER TONGUE JACK

Enjoy raising and lowering your Delta with one finger for near effortless hitching. The tongue jack also features a built-in light and convenient soft cover.

# 21

## PVC ROOF

We protect your investment with a seamless PVC roof that's more puncture-resistant than many others. Its ultra-bright white finish offers enhanced solar reflectivity, helping keep your unit cool. In the unlikely event of a tear, repairs are easy with a PVC patch and cement, available at your local hardware store.

Polyvinylchloride  
**PVC**  
SEAMLESS  
ROOF MATERIAL  
LIFETIME WARRANTY

- ZERO MAINTENANCE
- EXTREMELY DURABLE
- EASILY REPAIRABLE
- REFLECTIVE SURFACE

# 22

## HEATED AND ENCLOSED UNDERBELLY WITH TANK PADS

Extend your RVing season into the cooler months with a heated and enclosed underbelly.

12 volt tank heat pads are standard on all fresh, gray and black tanks.

## 23

## DOUBLE INSULATED FIBERGLASS ROOF

When it comes to insulation, we install the best of both schools of thought with traditional fiberglass batten insulation and a seamless layer of reflective mylar barrier for maximum efficiency in hot and cold climates.

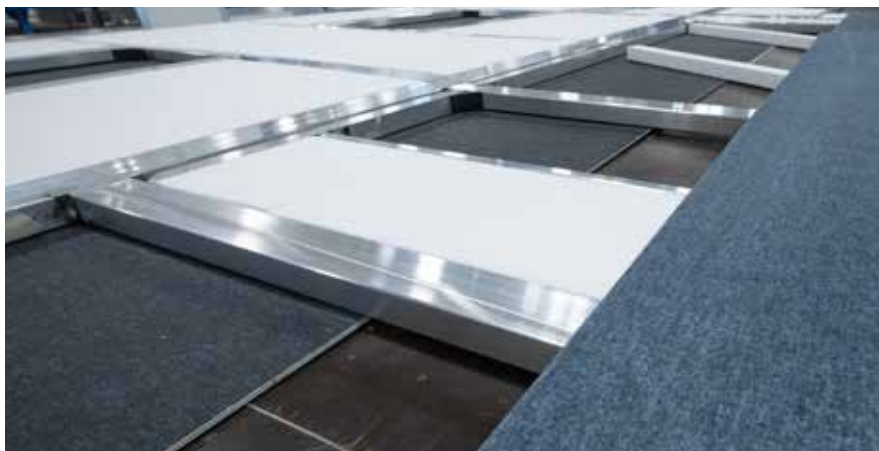

## 24

## LAMINATED WALLS

A reliable sidewall begins with a durable frame made of high grade aluminum that is professionally welded and reinforced at stress points. Block foam insulation fills all the voids in the framework and it is all sandwiched between an AZDEL composite substrate and fiberglass on the outside and composite substrate wallboard on the inside. The entire wall assembly is laminated and cured to perfection for the ultimate sidewall.

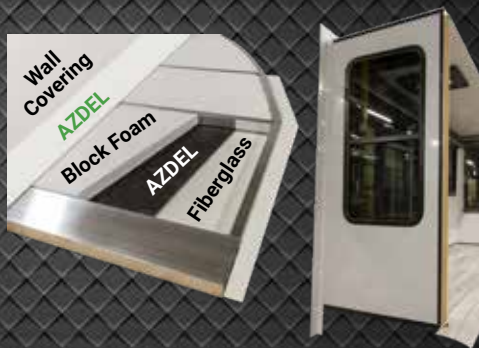

## 25

## AZDEL INTERIOR WALL PANELS

Alliance sidewalls, rear walls, slide faces and end walls are all laminated.

- 50% Lighter
- No Rot, Mold, Warping, or Delamination
- 2X Insulation Value
- Odorless, NO Formaldehyde
- Quieter RVs
- No Impact to the Rainforest
- Unaffected by Humidity and Temperature Changes
- Long Life
- Made in USA

## 26

## AZDEL MAIN FLOORS

Crafted with innovative Azdel composite panels, our laminated floors are lightweight, durable, and built for the long haul. Offering superior insulation, resistance to rot and warping, and eco-friendly materials, they enhance comfort and reliability.

With Azdel, your Delta Travel Trailer is quieter, stronger, and perfectly equipped for every adventure ahead.

## 27

### PATIO SIDE SPRAY PORT

Deltas come with a convenient quick-connect coil hose sprayer, perfect for rinsing off feet, pets, or even grandkids before entering. One spray port is located on the patio side, another in the utility center on the off-door side, and a third at the rear of the unit.

The hose stores neatly in its compartment and is resistant to tangles and kinks.

The coil hose stretches approximately eight feet.

## 28

### PATIO SIDE LP QUICK CONNECT

No need for all the little portable LP cylinders when you have 40 pounds on-board. With a patio side LP hookup you can conveniently use your camp grill or patio heater to dine and entertain.

## 29

## PULL-OUT EXTERIOR 25" GRILL/GRIDDLE

(most floorplans)

Grilling is part of camping. Our pull-out grill and griddle provides enough space to feed a family. Making mealtime more enjoyable.

## 30

## STEP ABOVE ENTRY SYSTEM

MORryde's StepAbove RV entry step system gives you bounce-free, wobble-free stability. With adjustable feet, rough terrain is no problem for your StepAbove. Easily store and lock the StepAbove into your door entrance.

## 31

## UNDER-FRAME PATIO LIGHTING

Patio-side under-frame LED lighting enhances your patio experience by illuminating the ground on both sides for added safety and enjoyment. Plus, it just looks cool!

## 32

## 50 AMP SERVICE STANDARD

With the ever increasing demands for electricity to power appliances, lighting, entertainment, medical devices and HVAC, we equip every Delta with a standard 50 Amp service to meet these demands.

## 33

## ON-DEMAND WATER HEATER

Why heat a whole tank of hot water and struggle to keep it hot when you can heat just what you need when you need it? Our on-demand water heater can keep up with showers, cooking and cleaning demands without the wait. We also include a 90-gallon gray water tank, for longer showers.

**34**

## DOUBLE A/C STANDARD

Double 13,500 BTU, ultra quiet, independently controlled direct flow A/C units maximize cooling capacity.

**27,000** BTU  
OF COOLING POWER

**35**

## (2) A/Cs EASILY RUN ON 30 AMPS

Our direct flow A/C system delivers 100% of the cold air directly into the RV. Powered by the latest Mach Q series air conditioners, it operates quietly at just 51-57 decibels, allowing you to hold conversations and enjoy TV without disruption. Each unit draws only 10.4 amps for efficient performance.

A/C on LOW  
(Avg. 51.0 db)

A/C on HIGH  
(Avg. 56.5 db)

Coleman Mach Q (Quiet) Air Conditioner decibel test. Used "Decibel X" app on iPhone XR placed on bed directly below AC unit.

## INDIVIDUALLY CONTROLLED

Have it your way! All A/C units are individually controlled, offering an infinite combination of settings for maximum comfort and convenience.

**36**

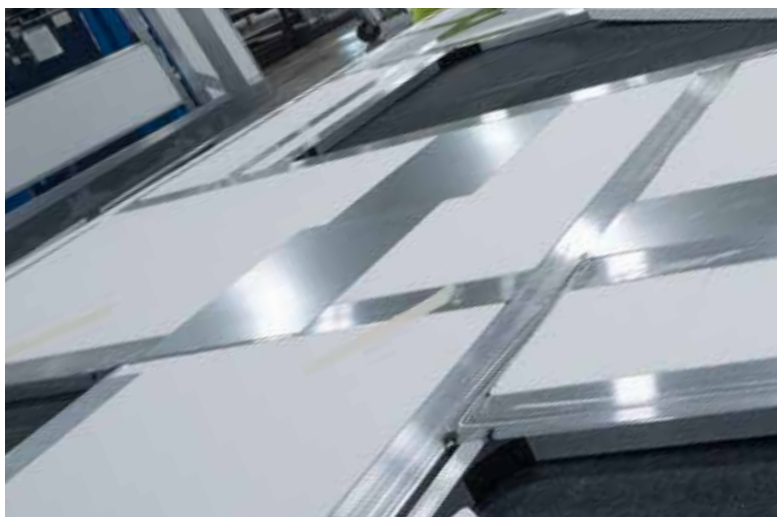

## 30,000 BTU FURNACE

The Delta features 30,000 BTUs of forced air heat, distributed through flex ducts. Designed for efficiency, our short heating ducts minimize heat loss, ensuring maximum comfort throughout the coach.

**37**

## ALUMINUM FRAMED & INSULATED LAMINATE FLOORING

Superior floor construction begins with a lightweight rigid aluminum frame that is insulated with block foam. Our floor has three layers of Azdel with no wood products.

**38**

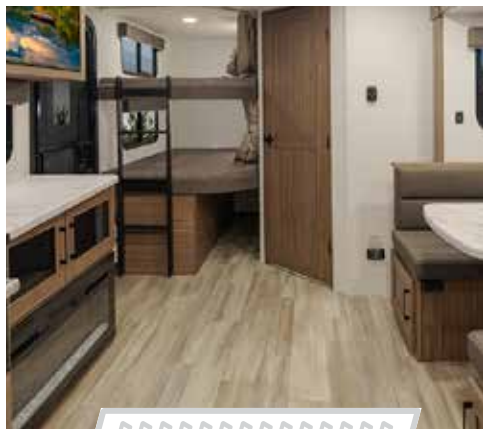

## NO CARPET ZONE

You spoke. We listened. Vinyl flooring throughout (No Carpet).

**39**

## NO FLOOR VENTS

Floor vents are an eye-sore, foot-sore and a catch-all for dirt and trash. Our vents are mounted out of sight and off the floor where they won't catch your bare foot in the dark by surprise.

# 40

## FLUSH FLOOR SLIDE OUTS

No more raised slide room floor in the kitchen to stub your toes on.

No more awkward footing or leaning way over to prepare your food. Includes easy access manual override, in case of lost battery power.

Brand X's raised floor kitchen slide

**FLUSH FLOOR  
SLIDE OUTS**

# 41

## TALLER CEILING AND SLIDE OUTS

Tall slide rooms provide extra headroom for a more comfortable dinette and no banging your head getting up from the recliner. The taller slides also allow us to install larger over head cabinets in certain models.

**72" TALL SLIDES**

\*Height is measured from the interior front of the slide.

## 42

## STANDARD THEATER SEATS

### WITH TRI-FOLD OPTION

The Kensington Collection fabric is a high-quality, polyurethane-based material. Unlike bonded fabrics, it resists cracking and peeling, ensuring long-lasting durability. This fabric comes with an extended 5-year warranty for added peace of mind.

## 43

## USB CHARGING PORTS

With all your devices—cell phones, tablets, earbuds, GPS units—you can never have too many USB charge ports. Delta features combined USB A & C ports conveniently located throughout for easy access.

## 44 ATRIUM WINDOWS

Alliance offers larger windows—more than anyone else—so you can enjoy a high-definition view of your surroundings. The strategically placed Atrium windows in the bedroom and living areas open wide, allowing for excellent cross ventilation and bringing in more fresh air.

## 45 CONVERTIBLE DINETTE

Delta's dinette can be transformed into a sleeping area by lowering the table and rearranging the cushions. This multifunctional design maximizes space, providing both a dining area and an extra bed for guests.

## 46

## REINFORCED DRAWER BOTTOMS

For added quality and strength, we reinforce the bottom of every drawer, preventing items like silverware from shifting to the next drawer. To demonstrate durability, we test our drawers by loading them with 90 pounds of weight.

## 47

## BALL BEARING DRAWER GUIDES

Experience residential luxury with ball bearing drawer glides that operate smoothly and effortlessly. These glides extend farther, giving you easy access to items all the way at the back of the drawer.

## 48

## LED CAP LIGHTS & THREE-WAY SWITCHES

Our LED cap lights can easily be turned on or off with conveniently located switches in the bedroom and pass through storage.

## 49

## MAGNETIC LATCH CABINET DOORS

Combined with magnetic latches, hidden soft-close hinges ensure doors close tightly and stay securely shut during transit, keeping your gear safely in the cabinet where it belongs.

**50**

## RESIDENTIAL HIDDEN CABINET HINGES

Hidden hinges provide a sleek, clean appearance, giving your Delta a high-end, residential look.

**51**

## SOFT CLOSE CABINET DOORS

Soft close hinges prevent slamming, which can weaken door joints and pull screws loose from the stiles.

**52**

## PLEXIGLASS OVERHEAD DOORS

Plexiglass means no glass! Safer and more durable, our plexiglass inserts are built into the doors, not glued in.

**53**

## WRAP AROUND KITCHEN BACK SPLASH

**54**

## STAINLESS STEEL SINK

This customer-driven feature is sure to impress. The residential-sized stainless steel sink combines stylish design, durability, and convenience.

**55**

## FAUCET WITH PULL OUT SPRAYER

The residential high rise faucet with pull out sprayer makes it easy to clean even the biggest pots and pans.

**56**

## 10 CU. FT. 12V RESIDENTIAL STYLE REFRIGERATOR

Our 10 Cu. Ft. refrigerator is equipped with a unique power management system to ensure the lowest amp draw possible.

It features an ergonomic door with travel latches, easy-open lighted handles, adjustable shelf dividers, and independent thermostats for both the fresh and frozen compartments. Plus, it pre-cools quickly, so you can get camping sooner.

**57****PULL OUT TRASH CAN CABINET****58****DUAL SILVERWARE DRAWER****59****POTS & PANS DRAWER**

A pot and pan drawer sized for your seasoned cookware.

**60****FLIP UP COUNTER TOP EXTENSION**

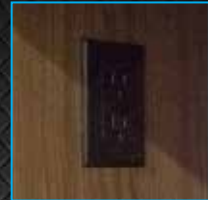

(most floorplans)

## 61

## PULL OUT PANTRY

Built with ease and accessibility in mind, our pantry has built-in slide out drawers and a 110 volt outlet for ease of use.

## 62

## BLACKOUT ROLLER NIGHT SHADES

Whether you want to block out the bright light of day or have some privacy in the night hours, trust BLACK OUT roller shades for quality and ease of operation.

**63**

## KITCHEN TOE KICK WITH LED ACCENT LIGHTS

**64**

## DIMMING SWITCH

LED lighting can be very bright and blinding. Alliance offers a twenty first century solution. A dimmer switch gives you control of your lighting in the living area. It is a simple solution that most RV makers neglect to address.

**65**

## FLUSH MOUNT LED CAN LIGHTING

Our LED ceiling lights are a flush mount can style like what you see in today's homes.

**66**

## MOTION DETECTING EXTERIOR STORAGE LIGHTING

When it gets dark and your hands are full, we've got you covered. Motion-activated lights in the storage compartment illuminates the space and helps you find what you're looking for with ease.

## 67

## 40" / 50" HD SMART TVS

Living rooms feature HD SMART TVs for the best entertainment experience. Take your streaming subscriptions on the road.

## 68

## BLUETOOTH ENTERTAINMENT SPEAKER

The ceiling-mounted, name-brand Bluetooth entertainment system brings modern entertainment to your fingertips. Pair the TV with the speaker for rich, full audio, or stream your favorite media from other smart devices—it's not just for your TV!

## 69

## BUNK HOUSE WINDOWS

Each bunk features a large window for plenty of natural light. Additionally, you'll find lights at each bunk, along with USB A&C outlets to charge all your devices.

## 70

## EPOXY TOP BEDROOM NIGHT STANDS

Bedroom night stands feature epoxy poured tops with a hidden trick. Both nightstands have a hidden storage compartment built in.

## 71

## DRAWER ON BOTH SIDES OF THE BED

Both nightstands also include a pull out drawer to keep things neat, organized and handy.

72

## RESIDENTIAL QUEEN BED STANDARD

Sleep like royalty on our Queen-size mattress (60x80). With plenty of space around the bed, you can easily walk in and out on both sides, just like at home.

73

## PADDED HEADBOARD

Whether you're watching TV or reading a book, the padded headboard offers a comfortable alternative to hard wooden ones that serve no purpose. Alliance truly listens to customer feedback to enhance your experience.

74

## CPAP FRIENDLY

With many of us using CPAP machines at home and on the road, Alliance makes it easy by providing outlets on all nightstands and a deep shelf to comfortably accommodate your CPAP machine.

75

## UNDER BED STORAGE

Delta offers a spacious 13 cubic feet of finished storage under the bed, assisted by gas struts for easy access. This compartment includes a sliding box to help organize your gear and make it easier to reach items at the bottom.

## 76

## PERSONAL READING LIGHTS

Catch that last chapter without disturbing anyone. The reading light offers two modes—nightlight and reading light—and is flexible, so you can direct the light exactly where you need it.

## 77

## DUAL PURPOSE SHIRT CLOSETS

Removable shelves offer you the flexibility to hang your clothes or install the shelf to stack them, allowing you to customize the storage to your preference.

## 78

## MEDICINE CABINET

(most models)

You can never have too much storage when traveling. Enjoy the generously sized medicine cabinet with a double-door design and large mirrors for added convenience.

**79**

## **PORCELAIN FOOT FLUSH TOILET**

The hygienic, hands-free porcelain foot flush RV toilet offers superior performance, possibly even better than a residential bowl. With a powerful flush, modern rimless design, full-size ceramic bowl, and home-like seat height, it provides unmatched comfort and efficiency. The soft-close seat and lid are easy to clean and prevent any accidental slamming in the middle of the night.

**80**

## **LARGE & DEEP BATHROOM SINK**

Now that's a bathroom sink! While many other brands offer tiny finger bowls, we provide an extra-large sink with a high-rise faucet, making handwashing and other tasks a breeze. Plus, there's plenty of counter space for added functionality.

**81**

## **SOAP SHELF & TOOTHBRUSH HOLDER**

Speaking of counter space, we free up some counter space for you by providing this wall-mounted soap shelf and toothbrush holder.

**82**

## **MOLD / MILDEW FREE SHOWER DOOR**

Our mold-free and mildew-free shower door ensures a more hygienic experience, reducing the need for cleaning and maintenance. Its large size provides safe and easy entry and exit.

**83**

## **EPOXY DOOR TRIM**

Our poured epoxy entry door trim adds a modern design touch with a durable finish that looks great and lasts. The rounded shape matches the contours of the entry door for a seamless, stylish look.

**84**

## **FRICTION HINGE ALL GLASS ENTRY DOOR WITH MAGNETIC CATCH**

The integrated friction hinge door holds steady in any position, preventing it from slamming open or closed. The hinge torque also keeps the door secure, even in winds up to 15 mph!

## 85

## SMART WIRE

Ever wonder which wires go where? We're proud to show you what's behind the covers. We put extra effort into keeping the wiring and plumbing neat and organized, which helps prevent issues and saves time on troubleshooting later. Color-coded and numbered wiring makes repairs quicker and simplifies do-it-yourself projects.

## 86

## BREAKER / FUSE BOX

## CONVENIENTLY LOCATED AND CLEARLY MARKED

We position our breaker/fuse boxes where you can get to them easily, and we clearly mark every breaker and fuse. We also provide a smart wire code guide so you can easily identify and trace wiring back to the source.

## 87

## CONTROL CENTER

Generally located near the entrance, our control center is easy to read and use. Every switch is marked clearly and organized logically.

## 88

## SLIDE CONTROLS

Never hit a fence, tree, or post again by running your slide-out blind. Exterior controls allow you to monitor and avoid accidents with ease.

## 89

## AWNING CONTROLS

Conveniently control the awnings from inside or outside. Watch while you run your awning out to avoid obstacles.

## 90

## 6' FOLDING TABLE WITH STORAGE

Every Delta comes with a full-size 6' folding table, and we've designed a unique storage solution for it inside the pass-through compartment. The table is stored up high, out of the way, so it's one of the first things you can easily set up or the last thing to put away before leaving camp.

## 91

## USB PORT IN PASS THROUGH STORAGE

**You can not have too many USB charge ports.**

**A combined USB A & C charge port is located in the pass through storage compartment for convenient access from the patio.**

**92**

## REAR WALL SPRAY PORT

On the rear wall of the Delta, you'll find the third temperature-controlled spray port. Positioned at the back, away from the patio, it's the perfect spot to rinse off muddy boots, wash the pets, or hose down the kids before they re-enter your clean RV.

**93**

## DUAL PURPOSE HEAVY DUTY LADDER

Traditionally RV ladders that are mounted too high, make reaching the first rung a big step. Our ladder is positioned lower for easier use.

Extended to 18" wide to double as a towel rack.

**94**

## PRE-WIRED BACKUP CAMERA

Pre-wired for any brand of backup camera you choose, we give you the freedom to select the brand that best fits your needs—without limiting your options.

**95**

## 2" REAR ACCESSORY HITCH

Maximize your Delta's versatility with the 2" accessory receiver hitch, offering up to 300 lbs. of carrying capacity. Perfect for bike and kayak carriers, cargo trays, and more, this feature lets you bring along everything you need for your next adventure.

**96**

## 9 CU. FT. OF EXTERIOR SLIDE OUT STORAGE

With 9 Cu. Ft. of exterior slide-out storage, you have plenty of space for fishing rods, camping chairs, tiki torches, and more. (most models)

**97**

## BLACK TANK FLUSH

Our black tank flush system eliminates the need to go inside and flush water down your toilet when it's time to pack up. Designed to remove waste, clean sewer hoses, and help expel irritating odors, it makes the process quicker and easier.

**98**

## CABLE PULLS FOR TANK DUMPS

Our dump tank cable pulls offer convenient and efficient waste disposal, simplifying the process for users and minimizing the mess.

**99**

## SEWER HOSE STORAGE TANK

The sewer hose storage tank removes unsanitary clutter, prevents odors, and allows for quick setup and teardown.

What's the point of a solar package that doesn't grow with your needs and requires replacing major components to upgrade? Alliance RV offers a standard solar package that's done right—designed to be flexible and upgradeable as your needs grow.

- **400 watt solar panel**
- **30 amp controller**
- **Lithium ready components**
- **Prepared for an inverter up to 3000 watts**

Additional panels and batteries can be added later to increase capacity without the need to rewire.

CONTROLLER

# 100 PRODUCT FEATURES MAKING DELTA TRAVEL TRAILERS THE BEST VALUE FOR YOUR INVESTMENT
